

Discover PCM

Bring out the Best in Yourself

Winter 2024:
January 23-24
Exclusive Virtual Sessions
5-8pm US Central Time

Ever wished for a magic wand that could
enhance your communication skills overnight?

Looking to stand out at work and
tackle communication challenges?

Need to level up your leadership game?

Process Communication Model® - PCM is the tool you need.

From **detecting which communication channel to choose** to build trust to **changing triggers to glimmers for your team**, PCM is THE adaptive communication tool to make a difference daily.

Designed for those with a keen interest in the Process Communication Model (PCM), this session promises to **provide a compact yet comprehensive overview of PCM basics**.

Discover PCM

A 2-Evening Event

The Basic Concepts of Process Communication Model

- The way you say something is more important than what you say: **find the proper channel.**
- We all are different: **discover the six Personality Types** and their specific way of communicating.
- Let's start getting to know each other! Each participant will be introduced to his/her **personality structure.**

Dive in Positive Communication

- What does **Positive Communication** mean?
- We don't all see the world in the same way. Identify the **different modes of perception by each Personality Type.**
- Pay attention to details - **Recognize the signs, attitudes, and behaviors indicative of each personality type,** and adapt your communication style.

Boundless Benefits

Observe and understand your own behavior to understand others **better and** communicate with them effectively.

Improve your communication strategies with a holistic approach to adaptive communication.

Analyze conflict and miscommunication. Find solutions to return to effective communication.

Build positive personal connections with anyone.
