

Discover PCM

A 2-day session

Master the art of Communication

The tool to make a daily difference

Looking to stand out at work and
tackle communication challenges?

Ever wished for a magic wand that could help you
improve your communication skills overnight?

Need to elevate your leadership game?

From **detecting which communication channel to choose** to build trust to **changing triggers to glimmers for your team**, PCM® is THE adaptive communication tool to make a difference daily.

Designed for those with a keen interest in the Process Communication Model, Discover PCM provides a **compact yet comprehensive overview of PCM basics**.

The Basic Concepts of PCM[®]

- The way you say something is more important than what you say: **find the proper channel.**
- We all are different: **discover the six Personality Types** and their specific way of communicating.
- Let's start getting to know each other! Each participant will be introduced to his/her **personality structure.**

Dive in Positive Communication

- What does **Positive Communication** mean?
- Identify the **different modes of perception by each Personality Type.**
- **Recognize the signs, attitudes, and behaviors** indicative of each personality type, and adapt your communication style.
